

## SOFT SERVE (ICE CREAM) ソフトクリーム

意味：  
普通のアイスクリームより軽くてなめらかなもの、つまり、ソフトクリームのことです。soft serve と呼ぶこともあります。たいていは、機械で容器やコーンに搾り出します。

注意：soft cream (ソフトクリーム) は和製英語なので、soft serve ice cream の意味はありません。

英英：  
Soft serve ice cream – also called soft serve – is lighter and smoother than regular ice cream and is usually squeezed out of a machine into a bowl or cone.

Be Careful! We do NOT use the expression “soft cream” like the Japanese ソフトクリーム to mean soft serve ice cream.

例文：

- ① A: Which do you like better, regular ice cream or soft serve?  
B: I prefer soft serve. It doesn't make me feel so full.

## HANG UP 電話を切る

意味：  
会話が終わったあとなどに、電話を切るという意味です。

英英：  
To hang up is to break the phone connection; for example, after finishing a phone conversation.

例文：

- ① I've never used a cell phone before. Which button do I push to hang up?  
② You hung up without saying goodbye!  
③ I can't hear you – there's too much noise. I'll hang up and call you back soon.
